TO ALL RESELLERS

Re: Mueller Sports Medicine, Inc.  
U.S. Minimum Advertised Price ("MAP") Policy

Dear Madam or Sir:

Mueller Sports Medicine, Inc. ("Mueller") is introducing a Minimum Advertised Price policy ("MAP Policy") for some of the products we sell (the "MAP Products"), to strengthen and maintain the premium brand image of those products. Mueller will sell the MAP Products only to resellers who comply with this MAP Policy, and will refuse to sell the MAP Products to resellers that do not comply (as determined by Mueller in its sole discretion).

A detailed MAP Product List is attached, which includes the Mueller Product Number, SKU, Product Name, MSRP, and MAP Price for each of the MAP Products. Effective June 1, 2016, the minimum advertised price offered to end consumers in the United States for any of the MAP Products by an authorized Mueller reseller shall be at least the MAP Price for that product shown in the attached MAP Product List (exclusive of shipping, handling and taxes).

This MAP Policy applies to any display or identification of the MAP Products for sale (any "Offer") to end consumers in any media, including (without limitation) internet web sites, social media, email, TV, radio, newspapers, catalogs, magazines or flyers (any "Media"). Any Offer in any Media must include, in close proximity to the MAP Product, a prominent and legible display of a price that is at least the MAP Price, including (without limitation) any display of the MAP Product on an internet web site except after the MAP Product is placed in the shopping cart and as otherwise necessary through completion of the sales transaction.

This MAP Policy relates only to advertised price, and does *not* apply to the actual sell price set by a reseller. Resellers remain free to sell at any price they choose, at their own discretion.

While your cooperation is appreciated, this MAP Policy is non-negotiable and is being imposed by Mueller unilaterally. Consequently, Mueller is not asking you to sign any paperwork or to otherwise indicate your acceptance. Mueller will use its own methods to monitor compliance with the MAP Policy, and does not wish to receive unsolicited reports of non-compliance with the MAP policy from resellers.

The list of MAP Products and their associated MAP Prices, and this MAP Policy, are subject to change at Mueller's sole discretion and without notice. Thank you for your understanding and cooperation.

Very truly yours,

  
Brett Mueller, President
